

Handle With Care Operating Instructions

SKU 3299

This has to be one of the softest, smoothest toys in existence today. The curved shaft and rabbit eared clitoral tickler are made of 100% pure buttery, silicone. Seven sweet speeds of vibration, pulsation and escalation are powerful and will engage your G-Spot and clitoris. The finger loop handle at the base allows for maximum control and easy access to the 2 illuminated function buttons (one for power and one for vibration modes)!

Operating

Press the On/Off button to start. The light on the control panel handle will turn On / Press again to turn Off. Press vibration button to start cycle for the 7 function modes. Press on the vibration button again to cycle through all of the seven functions.

Charging

Charge upon opening, will take around 2 hours. Connect the USB cable to the USB port of your computer or other power source and the other end to the toys magnetic input.

The LED light will blink when charging and become solid red when fully charged. Initial charge takes about 2 hours. There is no danger of over-charging.

Cleaning and storage

Clean before and after use. Dry completely. For best results we recommend using Athena's (antibacterial) Mighty Tidy Toy Cleaner (SKU MTT-1235 4 oz. or SKU MTT-2762 8 oz.) Store in a cool dry location.

Lubrication

Be sure to use ample lubrication with your bedroom toys. For great results try Athena's Perfectly Pure Intimate Moisturizer (SKU 5701). You can find additional lubrication options on our web site or in our catalog.
