

Zenith Instructions

SKU 3441

From the dedicated sex toy creators who set out to produce the perfect orgasm, comes the Zenith. Every detail has been beautifully crafted to deliver exquisite pleasure. Ergonomically balanced to sit in your hand, you are left in total control. The sensitive handle orientation allows pressure to be easily applied against the G Spot with a gentle downwards motion. The Zenith's independent dueling high velocity motors drive intense vibrations to the flexible and velvety soft silicone shaft and rounded external stimulator. 10 mighty vibration levels will keep you thoroughly entranced as you reach the pinnacle of pleasure! The detachable base is your charging station!

Length: 9.84 inches
Insertable length: 4 inches
Width: 1.5 inches, at widest point
Rechargeable - Magnetic USB Cable included
Provides G-spot stimulation
Dual independent motors for blended pleasure
10 powerful vibration and pulsation levels

Internal Stimulator

Cleaning

Clean before and after every use. Dry completely. For best results we recommend using Athena's (antibacterial) Mighty Tidy Toy Cleaner (SKU MTT-1235 4 oz. or SKU MTT-2762 8 oz.) Store in a cool dry location.

Lubrication

Be sure to use ample lubrication with your bedroom toys. For great results try Athena's Perfectly Pure Intimate Moisturizer (SKU 5701). You can find additional lubrication options on our web site or in our catalog.

Follow these simple steps to help extend the life cycle of your toys

Do not store products near extreme cold or heat.

Store in a cool dry location.

Do not store your adult toys in a manner where they are touching. Keep them separated to avoid melting or discoloring.

Do not place lotion bottles or adult novelties directly on furniture surfaces. Place them on a cloth to protect your toys and the finish on your furniture.

Caution

For adult use as a non-medical pleasure device only. Discontinue use in the event of any medical condition or pain.

Warranty

All sales are final due to the intimate nature of our products. No cash refunds will be given.

Effective February 1, 2021, this motorized product is guaranteed for 1 year for a replacement of the exact item. If you purchased this item at a party and need a replacement, please contact your Goddess or Adonis directly. If you purchased this product on the Athena's website and need a replacement, call (877)-ATHENAS or email our Customer Care Liaison at customerservice@athenashn.com for instructions to send back your item. Operating

On/Off: Press the center button for 3 seconds.
Control each motor independently Press arrows to change intensity.

Power ON/OFF

Product Schematic

A: Motor Placement
Maximum vibration stimulation point.

B: Body Safe Silicone

C: Metallic Plated ABS

D: Charging Lights
The lights will be red while the product is charging. When fully charged the light will flash.

E: Charging Point
Plug the charging cable into a power source and then connect the magnetic contacts.

F: Vibration Control
Fully independent motor control. Press power button for 3 seconds to turn on/off. Press arrow buttons to cycle functions for each motor.

Charging

Connect the USB cable to the USB port of your computer or other power source and the other end to the toys charging port.

The product may be delivered partially charged but we recommend a full charging cycle before use.

Adhere the magnetic charger directly onto the two magnetic dots on the vibrator. The power lights at the base of the vibrator will remain solid when charging and blink when fully charged.

Complete charge: 2.0 hours
Run time about: 1.0 hour
