

Rainbow Runway Operating Instructions

SKU 3278

Indulge yourself with a vibe constructed of firm yet flexible medical grade silicone. The non-phallic shaft is curved and textured to rock the G-Spot or P-Spot just right. The double pronged clitoral stimulator sends rumbling vibrations to the clitoris. Two motors - one in the tip and one in the external stimulator - boast 24 speeds of vibration, pulsation and escalation to keep you busy. The sturdy base illuminates with a multi-colored light show that flashes in unison with each speed. Recharge the Rainbow Runway using the included USB cable and never bother with batteries again!

Cleaning

Clean before and after every use. Dry completely. For best results we recommend using Athena's (antibacterial) Mighty Tidy Toy Cleaner (SKU MTT-1235 4 oz. or SKU MTT-2762 8 oz.) Store in a cool dry location.

Lubrication

Be sure to use ample lubrication with your bedroom toys. For great results try Athena's Perfectly Pure Intimate Moisturizer (SKU 5701). You can find additional lubrication options on our web site or in our catalog.

Caution

This massager is not classified as a medical device. Do not massage around chest or neck. Do not attempt to use while plugged in for charging. Gently (to protect waterproofed seal) insert input plug at the back of the wand.

Warranty

All sales are final due to the intimate nature of our products. No cash refunds will be given. Effective February 1, 2021, this motorized product is guaranteed for 5 years for a replacement of the exact item. If you purchased this item at a party and need a replacement, please contact your Goddess or Adonis directly. If you purchased this product on the Athena's website and need a replacement, call (877)-ATHENAS or email our Customer Care Liaison at customerservice@athenashn.com for instructions to send back your item. All defective product returns must be accompanied by a pre-authorization number. If product arrives broken or breaks within 30 days, it's the client's responsibility to pay for the shipping of the broken item to Athena's, Athena's is responsible for the shipping of the replacement. If this item breaks after 30 days of receipt, it's the client's responsibility to pay for the shipping of the broken item to Athena's and the shipping for the replacement item.

Operating

Charge upon opening. Connect the USB cable to the USB port of your computer or other power source and the other end to the toys input.

The LED light will blink red when charging and become solid red when fully charged. Initial charge takes about 4 hours. There is no danger of over-charging.

Control Panel: Press the On/Off key to start. The colored lights at the base on the control panel will turn on. The first vibration function will start. Press the On/Off key to cycle through the vibrations from the rabbit and the shaft to the shaft only and the rabbit only. Press on the vibration button to cycle through the eight functions.
