### Anal Play Note:

The anus is one of the most sensitive orifices of the human body and it is usually the one least mentioned, despite the fact, that gentle probing of the anus can bring intense pleasure. Be daring and experience erotic pleasures and a wonderful feeling of sexual elation.

The rectal sphincter is extremely sensitive and should be stimulated with care. To ensure you have a healthy, safe and pleasurable experience, be sure to use an ample amount of lubrication (i.e. Athena's Perfectly Pure) and remember never to insert anything into the vagina after it has been in the rectum without thoroughly washing it first!

### Caution: For all erection rings

This non-medical device is intended as a sexual enhancing aid only. Not intended for contraceptive/birth control or the treatment of erection conditions. Use no longer than 30 minutes at a time. Prolonged use (without removal) may result in bruising at the base or permanent injury to the penis. Consult a physician should any complication occur and discontinue use immediately.
