

Rev-O-lution Instructions

SKU 3497

A new Rev-O-lution in pleasure has arrived. It is constructed of the finest body-safe silicone and features an impressive rotating G-Spot massager within the tip. The twirling head is ribbed for added stimulation and offers three options for speed. The triple-fluttering external teaser houses its own motor with 10 functions of independent vibration, pulsation and escalation! The advanced technology includes a memory chip and travel lock. Enjoy the best of both worlds - internal and external stimulation - under the covers or while soaking in a hot bath or steamy shower. Leave the status quo behind and take this beautiful purple dual stimulator for a spin!

- Security travel lock feature

Cleaning

Always clean product before every use, and clean after every use. For best results we recommend using Athena's (anti-microbial) Mighty Tidy Toy Cleaner (SKU MTT-1235 4 oz. or SKU MTT-2762 8 oz.)

Lubrication

Be sure to use ample lubrication with your bedroom toys. For great results try Athena's Perfectly Pure Intimate Moisturizer SKU 5701. You can find additional lubrication options on our website or catalog.

To ensure that you always enjoy a pleasurable experience with your adult novelty items, follow the care instructions listed below:

Do not store products near extreme cold or heat. Store in a cool, dry location. Store products separately as different materials may react with each other. Take caution when placing lotion and massage oil bottles or adult novelties directly on furniture surfaces. Place them on a cloth to protect your toys and your furniture.

Caution: For adult use as a non-medical pleasure device only. Discontinue use in the event of any medical condition or pain.

Warranty

All sales are final due to the intimate nature of our products. No cash refunds will be given. Effective February 1, 2021, this motorized product is guaranteed for 1 year for a replacement of the exact item. If you purchased this item at a party and need a replacement, please contact your Goddess or Adonis directly. If you purchased this product on the Athena's website and need a replacement, call (877)-ATHENAS or email our Customer Care Liaison at customerservice@athenashn.com for instructions to send back your item. All defective product returns must be accompanied by a pre-authorization number.

If product arrives broken or breaks within 30 days, it's the client's responsibility to pay for the shipping of the broken item to Athena's, Athena's is responsible for the shipping of the replacement. If this item breaks after 30 days of receipt, it's the client's responsibility to pay for the shipping of the broken item to Athena's and the shipping for the replacement item.

Charging

Charge upon opening. Insert input plug at the back above the trim and connect the USB output plug to the USB port of your computer or other power source and the other end to the toy's input.

LED light will flash while charging and glow solid when fully charged. Fully charge product before use. Battery life depends on frequency and speed of use. We recommend fully charging your product once every 6 months.

Complete charge time: 2.5 hours
Run time on high: 40 minutes
Run time on low: 150 minutes

Control Panel

Operating:

1. This item comes with a security lock feature. To unlock product, press and hold the top button for 3 seconds.
2. To activate special shaft feature, press the middle button. Tap the button until desired function is reached.
3. To turn off special shaft feature at any time, press and hold the middle button for 3 seconds.
