HOW TO USE

1. Turn on

press for
2 seconds
The LEDs
will indicate
that the
product is
turned on.

2. Usage

Surround your clitoris with the stimulation head
and your journey begins.

A SMALL TIP:

If you notice that the stimulation attachment
doesn't yet have the optimal fit, switch between the
two stimulation attachments (S and M) included with
the device to create the best feeling for you.

SMART SILENCE

PREMIUM only turns on when it's almost touching your skin. Smart Silence will be turned on by default. Please note that when switching on your Womanizer you do not touch the stimulation attachment, since otherwise, the Smart Silence function is not guaranteed.

**Smart Silence
On/Off**
