Tapered Tips
Easy Insertion

Wide Base for Safety

Using your impASSioned

Slowly insert the smallest tapered end first. Be sure to use plenty of lubricant. This butt plug is an anal sex toy that's designed to be inserted and left in place and creates a sensation of fullness or pressure. As your pelvic muscles contract during orgasm, a butt plug can intensify the sensation by giving your body something to squeeze against. Using this toy as part of your sexual encounter can lead to intense anal fulfillment and amazing orgasms for men and women. The flared base at the end of the plug will ensure the plug insert all the way.

Cleaning and storage

For best results, we recommend using Athena's (antibacterial) Mighty Tidy Toy Cleaner (SKU MTT-1235 4 oz. or SKU MTT-2762 8 oz.) before and after each use. Dry completely.

Lubrication

Be sure to use ample lubrication with your bedroom toys. For great results try Athena's Perfectly Pure Intimate Moisturizer (SKU 5701). You can find additional lubrication options on our web site or in our catalog. Safe to use with silicone or water-based lubricants.

Anal Play Note: The anus is one of the most sensitive orifices of the human body and it is usually the one least mentioned, despite the fact, that gentle probing of the anus can bring men and women intense pleasure. Be daring and experience erotic pleasures and a wonderful feeling of sexual elation.

The rectal sphincter is extremely sensitive and should be stimulated with care. To ensure you have a healthy, safe and pleasurable experience, be sure to use an ample amount of lubrication (i.e. Athena's Perfectly Pure) and remember never to insert anything into the vagina after it has been in the rectum without thoroughly washing it first!
