## Cleaning and storage

For best results, we recommend using Athena's (antibacterial) Mighty Tidy Toy Cleaner (SKU MTT-1235 4 oz. or SKU MTT-2762 8 oz.) before and after each use. Dry completely.

## Lubrication

Be sure to use ample lubrication with your bedroom toys. For great results try Athena's Perfectly Pure Intimate Moisturizer (SKU 5701). You can find additional lubrication options on our web site or in our catalog. Safe to use with silicone or water based lubricants.

## Follow these simple steps to help extend the life cycle of your items

Do not store products near extreme cold or heat.

Do not store your adult toys in a manner where they are touching. Keep them separated to avoid melting or discoloring.

Do not place lotion bottles or adult novelties directly on furniture surfaces.

Place toys on a cloth to protect your toys and the finish on your furniture.

**Caution: For adult use as a non-medical pleasure device only. Discontinue use in the event of any medical condition or pain.**

## Warranty

All sales are final due to the intimate nature of our products. No cash refunds will be given. This motorized product is guaranteed for 5 years for a replacement of the exact item. If you purchased this item at a party and need a replacement, please contact your Goddess or Adonis directly. If you purchased this product on the Athena's website and need a replacement, call (877)-ATHENAS or email our Customer Care Liaison at customerservice@athenashn.com for instructions to send back your item.

All defective product returns must be accompanied by a pre-authorization number. If product arrives broken or breaks within 30 days, it's the client's responsibility to pay for the shipping of the broken item to Athena's, Athena's is responsible for the shipping of the replacement. If this item breaks after 30 days of receipt, it's the client's responsibility to pay for the shipping of the broken item to Athena's and the shipping for the replacement item.

## Replace remote battery

Use a small screwdriver to twist off battery compartment top as shown by arrow  
Remove old battery and slip new battery + side up into compartment  
Replace cover and twist to seal

## Charging

Charge completely before first use. Connect the USB cable into the USB port of your computer or other power source. Align the magnetic dots of the charge cord to the magnetic dots at the base of the toy. The power button will flash when charging and remain solid once fully charged.

We recommend charging the product once every six months. Only use the cord supplied with this product or an Athena's authorized replacement cord.

Charge time: 1 hour - Run time: 50 minutes

**Anal Play Note:** The anus is one of the most sensitive orifices of the human body and it is usually the one least mentioned, despite the fact that gentle probing of the anus can bring every adult intense pleasure. Be daring and experience erotic pleasures and a wonderful feeling of sexual elation.

The rectal sphincter is extremely sensitive and should be stimulated with care. To ensure you have a healthy, safe and pleasurable experience, be sure to use an ample amount of lubrication (i.e. Athena's Perfectly Pure) and remember never to insert anything into the vagina after it has been in the rectum without thoroughly washing it first!

## Operating

The toy must be turned on with the button at the base of the toy. Once the toy is on, it can be operated with the same power button or with the remote control.

**To operate the toy without remote:** Press and hold the power button at the base of the toy for 3 seconds to turn the plug on. The toy will vibrate once, light, and enter standby mode. Tap the power button to cycle through the 10 vibrations. To turn off the toy, press and hold the power button for 3 seconds.

**To operate with the remote:** Press and hold the power button at the base of the toy for 3 seconds to initiate standby mode. Press and hold the power button on the remote for 3 seconds to turn it on. Tap the power button to cycle through the toy's 10 vibrations.

Press and hold the power button for 3 seconds to turn off the remote. Note that this will also turn off the toy completely as well.
