

Wild Ride

SKU 3557

Ready to shake things up, sex toy lovers?

Then get on the *Wild Ride* - a revolutionary toy that puts the MAX in CLIMAX! The smooth, seamless and creamy silicone shaft sits upon a literal ball for ecstasy! An accordion-like, springy suction cup base anchors the *Wild Ride* to a flat surface - like your shower wall or headboard. Turn it on using the one-touch button to unleash a surge of power like you've never seen. The flexible shaft explodes with energy that will shake you to your core. Three speeds of gyration will take you on a *Wild Ride* to your destination! Use caution on slippery surfaces!

Charging

This toy arrives with a high partial charge of about 75%, it is not necessary to charge fully before first use. Full charging will take about 2.5 hours.

Pull up silicone flap marked DC to expose the charging port and line up the charging port with the circular entrance. Please note the toy must be in a horizontal position to align the cord's input with the toy's charging hole. The inner ball will rotate, and the charging port will slide into position. If the charging port is slightly off, a small shake will put it back into position.

The indicator light will flash while device is charging and stay constant when toy is fully charged. There is no danger of battery damage by overcharging, but its recommended not to overcharge for long periods of time. Battery life depends on frequency and speed of use. We recommend fully charging your product once every 6 months. Only use the cord supplied with this product or an Athena's authorized replacement cord.

Reseal the flap. Push the power button once to reset.

- Charge time: 2.5 hours

Cleaning

Always clean product before every use, and clean after every use. For best results we recommend using Athena's (anti-microbial) Mighty Tidy Toy Cleaner (SKU MTT-2762).

Lubrication

Be sure to use ample lubrication with your bedroom toys. For great results try Athena's Perfectly Pure Intimate Moisturizer SKU 5701. Not for use with silicone lubricants. You can find additional lubrication options on our web site or in our online catalog.

To ensure that you always enjoy a pleasurable experience with your adult novelty items, follow the care instructions listed below:

Do not store products near extreme cold or heat. Store in a cool, dry location. Store products separately as different materials may react with each other. Take caution when placing lotion and massage oil bottles or adult novelties directly on furniture surfaces. Place them on a cloth to protect your toys and your furniture.

Caution: For adult use as a non-medical pleasure device only. Discontinue use in the event of any medical condition or pain.
