## Cleaning

Always clean product before every use, and clean after every use. For best results we recommend using Athena's (anti-microbial) Mighty Tidy Toy Cleaner (SKU MTT-2762).

## Lubrication

Be sure to use ample lubrication with your bedroom toys. For great results try Athena's Perfectly Pure Intimate Moisturizer SKU 5701. You can find additional lubrication options on our web site or in our online catalog.

## To ensure that you always enjoy a pleasurable experience with your adult novelty items, follow the care instructions listed below:

Do not store products near extreme cold or heat. Store in a cool, dry location. Store products separately as different materials may react with each other. Take caution when placing lotion and massage oil bottles or adult novelties directly on furniture surfaces. Place them on a cloth to protect your toys and your furniture.

## Caution: For adult use as a non-medical pleasure device only. Discontinue use in the event of any medical condition or pain.

## Warranty

All sales are final due to the intimate nature of our products. No cash refunds will be given. This motorized product is guaranteed for 30 days for a replacement of the exact item. If you purchased this item at a party and need a replacement, please contact your Goddess or Adonis directly. If you purchased this product on the Athena's website and need a replacement, call (877)-ATHENAS or email our Customer Care Liaison at customerservice@athenashn.com.

## Charging

Charge fully before first use.

Connect the USB plug into a power source and align the other end of the charger with the toy's 2 magnetic charging pins, located at the base of the toy. The indicator light will flash while device is charging and turn solid when fully charged. Do not overcharge for long periods of time. Remove cord prior to operating. Battery life depends on frequency and speed of use.

We recommend fully charging your product once every 6 months. Only use the cord supplied with this product or an Athena's authorized replacement cord.

Charge time: 2 hours

Run time: 1 hour
