Anal Play Note

The anus is one of the most sensitive orifices of the human body and it is usually the one least mentioned, despite the fact, that gentle probing of the anus can bring men and women intense pleasure. Be daring and experience erotic pleasures and a wonderful feeling of sexual elation.

The rectal sphincter is extremely sensitive and should be stimulated with care. To ensure you have a healthy, safe and pleasurable experience, be sure to use an ample amount of lubricant and remember never to insert anything into the vagina after it has been in the rectum without thoroughly washing it first!

Cleaning and storage

For best results, we recommend using Athena's (antibacterial) Mighty Tidy Toy Cleaner (SKU MTT-2762 8 oz.) before and after each use. Dry completely.

Lubrication

Be sure to use ample lubrication with your bedroom toys. For great results try Athena's Perfectly Pure Intimate Moisturizer (SKU 5701). You can find additional lubrication options on our web site or in our online catalog.
