# HEATWAVE Operating Instructions

SKU 3568

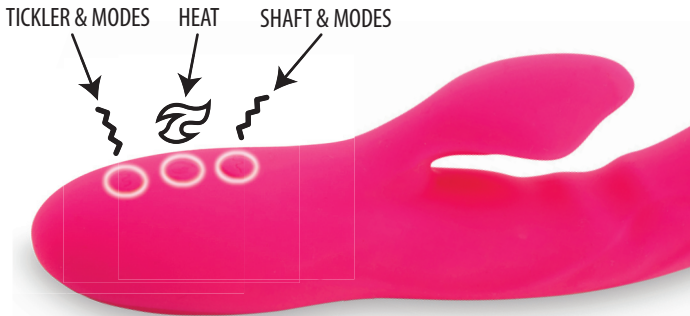

Waves of pleasure and gentle, relaxing warmth are in your forecast! This versatile, luxury dual stimulator is made of silky, smooth body-safe silicone. The flexible curved shaft features ribs, ripples and texture for exquisite internal massage. The heating element warms up to 104 degrees and increases blood flow for surging sensitivity! Two ultra strong motors provide rumbling vibes inside and out. The external stimulator brings the pressure and power for explosive releases. Cycle through 3 speeds and 17 pulsations to find your ideal orgasmic setting. Try the turbo boost feature for a blast of added oomph to your ecstasy! Each feature can be used alone or in tandem in and out of water! A HEATWAVE has come and so will you! Colors may vary.

## Operating

**Be sure this toy is fully charged. Each button works separately so you can choose:**

1. "only" the shaft vibrations on
2. "only" the heat on
3. "only" tickler vibrations on

**Shaft ON:** Press the top power button for 3 seconds. The light will glow, and the first vibration will initiate.

**External Teaser ON:** Press and hold the bottom button to turn on teaser motor. The light will glow.

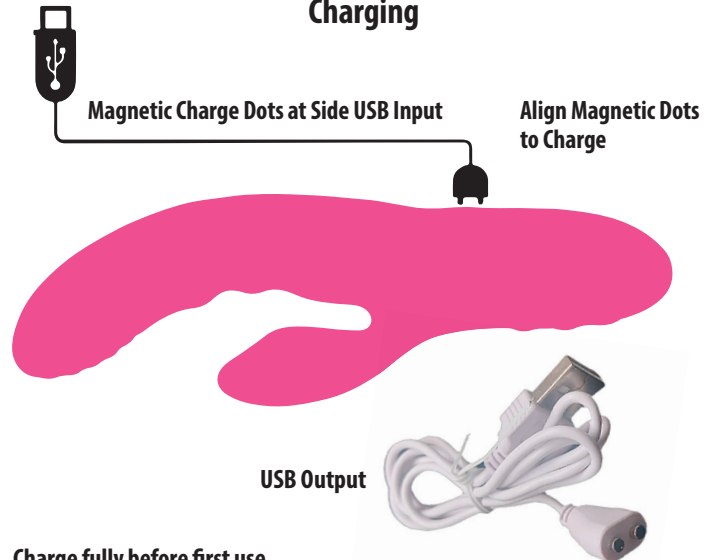

**Vibrations:** Tap either the top or bottom power buttons to cycle through the additional vibration and modes.

**OFF:** Press either power button for 3 seconds the light will not glow, and vibrations are off.

**Heat:** Press the middle button with the flame icon for 3 seconds. The light glows while heating. It will take 2 minutes or more to feel the maximum warmth of a body-safe, comfortable 104 degrees.

**Turbo Boost:** Quickly double click the top or bottom button to activate the turbo boost. Accelerates speed to highest intensity for 12 seconds.

## Charging

### Charge fully before first use.

Connect the USB plug into a power source and align the other end of the charger with the toy's 2 magnetic charging pins, located at the side of the toy.

White light flashes while charging until fully charged. There is no danger of battery damage by overcharging but its recommended not to overcharge for prolonged periods of time. Remove cord prior to operating.

Battery life depends on frequency and speed of use. We recommend fully charging your product once every 2 months. Only use the cord supplied with this product or an Athena's authorized replacement cord.

**Complete charge time: 3 hours. Run time: 1 hour** (Heat may impact runtime)

## Cleaning

Always clean product before every use, and clean after every use. For best results we recommend using Athena's (anti-microbial) Mighty Tidy Toy Cleaner (SKU MTT-2762).

## Lubrication

Be sure to use ample lubrication with your bedroom toys. For great results try Athena's Perfectly Pure Intimate Moisturizer SKU 5701. You can find additional lubrication options on our web site or in our online catalog.

**To ensure that you always enjoy a pleasurable experience with your adult novelty items, follow the care instructions listed below:**

Do not store products near extreme cold or heat. Store in a cool, dark and dry location. Store products separately as dissimilar materials may react with each other. Take caution when placing lotion and massage oil bottles or adult novelties directly on furniture surfaces. Place them on a cloth to protect your toys and your furniture.

**Caution: For adult use as a non-medical pleasure device only. Discontinue use in the event of any medical condition or pain. Not recommended to use for more than 30 minutes continuously. Not for anal use.**
